We have had so much fun getting to know the children, they are such a great group of kids! We have been learning more about them and their families!

Kristy Michaels with Centsible Nutrition will be coming in every month and teaching the kids about healthy eating and making them a fun snack. Every Wednesday we have someone come in from the library and they read to the kids! They are really enjoying having visitors in the class.

This month we will be learning about Neighborhoods, Fire Safety and Fairy Tales. We are planning to have the Basin Fire Department come over and talk with the kids on Thursday October 5th at 10 AM. If you would like to volunteer, please let us know. (Family Well-Being)

Karen Campos was voted to be our Policy Council Representative. Thank you Karen for your dedication. (Families as Advocates and Leaders)

We enjoy having parents come and volunteer. Please let us know when you are able to stay. (Families as Life Long Educators)

I talked to the families that were here for the family social about Totes of Hope. It is a grant funded food donation program that gives people a little extra non-perishable food items each week. At this time we don't have the funding, but I am willing to try to get grants if we have enough families interested. I spoke to the lady in charge for the Elementary School in Basin and sometimes they have a few item left over that we will be giving out to families.

Important Announcement

Please make sure you get us all the health requirements. If your child has an appointment let us know, so we can document it in their file. (Family Connections to Pears and Community)

Please send an extra pair of clothes to be left at school for your child. Sometimes there are accidents and we don't want them to have to stay in wet clothes.

Please go like our Facebook page, Absaroka Head Start-Basin.

We will have “Show and Tell” once a month. Please have your child choose 1 toy to bring to school. Our first one will be Thursday, October 12th.

We will have a Fairy Tale dress up day on Tuesday, October 31st. Please send your child in costume and with an extra set of clothes so if they are wanting to change they are able to. Please let us know if you are wanting to volunteer.

REMINDER-----There is NO SMOKING on Head Start property which includes the parking area. If you have someone that doesn't normally drop off or pick up please let them know of our policy. There is a smoking area by the dumpsters in the alley.
