High Scope Curriculum

High Scope is based on active learning. Active learning means students have direct, hands-on experiences with people, objects, events, and ideas. Children plan their activities, carry them out, and talk with others about what they have done and what they have learned.

Parent Area

Mailbox for parents, resource information, schedules, and menus are found in our parent's corner. Another great resource for our parents is the Absaroka Head Start website: **www.abshs.org**.

Volunteer Calendar

We encourage you to volunteer as it is a great time to be with your child and it greatly helps us out. The calendar is posted in the parent corner. If you are unable to volunteer please find your own replacement for that day; another family member or someone from the community who can take your place. We are meeting our 80% in-kind towards federal monies for the time parents spend in our classroom. Please sign the in-kind sheet when you visit our center.

Resource Book

If there is any information you need and cannot find it in this Resource book, please feel free to ask one of the staff members. There is a Resource File in the Parent Area that has a lot more resources. If you cannot find your Resource Book, **There is also a copy in the parent corner.**

Sign-In/Sign-Out

We ask that you sign your child in and out every day. The sheet has your child's name on it. It is filled out as follows: write in the day of the week, the date, circle the meals your child will be eating (B for breakfast, L for lunch, or S for snack,) and then sign your child in. When you come in to pick up your child, you can sign him or her out for the day. **The sign in/sign out sheets are in the mailbox cart.**

NEWSLETTER

We send out a monthly newsletters filled with our activities, field trips, days without school, and other important information. It is also has ideas for furthering your child's interest in wanting to learn so they become school ready. When you are excited and interested, your child will learn from your interest and want to learn more. We follow the Big Horn School District #4 calendar.
