Absaroka Head Start is an equal opportunity employer

Hello everyone,

Here is another monthly newsletter with some quick reminders.

The weather is starting to change and get colder, we will still try to go outside on the nice days, but please make sure to bring a jacket and proper shoes to go outside.

If the school district is closed or decides to close so will Absaroka. If the school district does decide to close to weather or anything, the Teacher at Absaroka will make sure all the parents know that Absaroka will also be closed.

During the month of October there will be a Parent/child social. We will be carving Pumpkins, a date has not been decided but will be and we will let you know ASAP when this event is happening. Parent-Child relationships

In-kind- Thank you to the parents who have turned in their Home Learning Logs, we hope to keep getting them! Thank you also to the parents who have already volunteered in the classroom. There will be volunteer calendars set up in the classrooms, so parents can pick a date and sign-up to volunteer in the classroom that day!

The new basket sitting on the Parent sign-in folder desk is to put all paperwork (home learning logs, medical papers etc.) the teacher aide will pick it up at the end of every day. It will just help ensure that all the paperwork is in the same spot.

Lastly, if you ring the door bell and we let you in please do not hold the door open for anybody else that may be behind you.

Happy Fall!
