The last few weeks have gone by fast. We have enjoyed so many fun activities this past month. The kids have been learning about Neighborhoods and the many people that you see and meet. We had the Basin Fire Department come and talk to the kids about Fire Safety. They brought the Fire Truck and the kids had so much fun getting to sit inside it. Jess from Saam Vet Clinic came and talked to the kids about taking care of animals and let the kids listen to their heartbeats with a stethoscope.

For two weeks we have been learning about Fairy Tales and Rhymes.

In the next few weeks we will learn about Farms, Markets and Foods then we will move onto Wind and Weather.
