Welcome back from a great Holiday break!! In December we talked about Wind and Weather. We recorded what it was like outside every day. It was sunny 12 days with only 3 days that we had snow.

We are going to be doing a review week the first week back and then we will learn about Light and Shadow.

On January 29th at 5:30 pm we will be having a Parent Meeting. Kristy Michaels with Centsible Nutrition will come in and talk about healthy eating. Karen Campos our Policy Council Rep. will also be here to talk about what has been going on the first half of the year and to answer any questions you might have. We will also have Vegetable Beef Stew for dinner. Please let us know by Wednesday the 24th if you will be attending. (Family Connection to Peers and Community)

Tax season is right around the corner, if you have any questions we will be happy to give you any information you might need. (Families as Life Long Learners)

In the parents area there is a Volunteer sign up sheet. Please pick a time that you are able to come in and volunteer. We do understand that you are busy, but if you could take even an hour to stay we would really appreciate it. The time you spend in the class room goes to our In-Kind hours.
