

# January Newsletter

## Absaroka Head Start

### Riverton Center

2420 Rose Lane

Riverton WY 82501

(307) 856-5078

#### Parent Meeting

(Families as Advocates and Leaders/Families as Lifelong Educators)

Our parent meeting is scheduled for January 22<sup>nd</sup> starting at 5:30pm. This will be held at Riverton Branch Library in the community room. We will have a guest speaker from Wells Fargo, discuss upcoming events, reflect on the year so far, and share some classroom activities with you. Refreshments will be served. If you have any questions please contact your child's teacher.

#### In-Kind

(Family Connections to Peer and Community)

Please look at our January calendar for upcoming community events. We are able to count your time as volunteer In-Kind donation if you attend these events. In-Kind donations are generated by our center and make up part of our funding. This also applies for any time you come into the center and volunteer. Please let your child's teacher know if you attend any of these events and if you want to volunteer in the classroom.

#### Weather Appropriate Clothing

(Family Well Being)

Please keep in mind that we do go outside daily for fresh air. Weather appropriate clothing is important this time of year. Children need to have a warm coat and closed shoes (snow boots are preferred if possible). Each child has a hat and pair of gloves/mittens in the classroom that were donated by the United Methodist Auxiliary. We ask that these items stay at school so your child always has a hat and gloves when we go outside.

#### Social Media

(Families Connections to Peers and Community)

Social media is a great resource to share and receive information about our program and community. Please go like us on Facebook at Absaroka Head Start-Riverton Center. You can also visit our website at [www.abshs.org](http://www.abshs.org) for information about our program.

#### Recruitment

(Families Connections to Peers and Community)

We are looking for children who are three and four years old for our program. If you know a family who may be interested please have them contact the center at 856-5078.
