Winter Weather

Colder weather is on the way! Please remember to send your child with the appropriate fall/winter gear, especially a warm coat! If you do not have a coat for your child and would like help getting one, please let us know, we would be happy to assist!!

Home Learning Logs

Please remember to fill out the home learning logs that we send home weekly with your child's book bag. They count for your monthly volunteer time and these logs also allow us to meet the in-kind requirements of our grant!

We are currently recruiting for all centers in the region! Please recommend our program to your family and friends!

Parent Volunteers

As always, we encourage parents and guardians to volunteer in our classroom!

Hand Hygiene!!!

Please remember the **BEST way to prevent the spread of ILLNESS is good hand washing!** 'Tis the season.
