

Winter Coats & Boots

We are in for a cold, snowy winter, so please make sure your child comes to school with all their cold weather essentials! This includes a winter coat and snow boots! If you do not have a winter coat or boots for your child, please let us know - we would be more than happy to help you get these items! We do try to spend some time outside, even in winter, and keeping our students safe and warm is a top priority! Also, please feel free to send an extra pair of shoes to school so that your kiddo can change out of their boots.

Book Bags

Please remember to send your child's book bag back to school with them on Thursday mornings! If your child's book bag has been misplaced, please speak with one of the teachers and we would be happy to work with you on getting a new one!

Home Learning Logs

Thank you to all of the parents who have turned in their children's Home Learning Logs so far this year! Please keep up the great work! Home Learning Logs are sent out weekly and give your child an opportunity to learn even more at home! When they are filled out and returned, they also count towards our in-kind to meet our organization's grant requirements!

Recruitment

We are currently recruiting for all centers in the region! Please help spread the word and recommend our program to family and friends!

Health Reminder

Please remember to follow the Sick Child Guide in your parent handbook! If your child is sick and has had vomiting, diarrhea, or a fever then they must remain out of the center for a full 24 hours since their last symptom. This helps to reduce the spread of sickness and keeps our kiddos and their families healthy!
