

CLASSROOM THEMES FOR DECEMBER

WIND & WEATHER

The new unit we are exploring now is related to the changing seasons and weather of all kinds. We will continue in this unit through December.

Winter Break

Buffalo Head Start will be closed from December 24 through January 4 for Winter Break. Class will begin again on January 7.

Buffalo HEAD START

DECEMBER NEWSLETTER

Health

Please remember to follow the Sick Child Guide in your parent handbook! If your child is sick and has had vomiting, diarrhea, or a fever then they must remain out of the center for a full 24 hours since their last symptom. This helps to reduce the spread of sickness and keeps our kiddos and their families healthy!

CENTER STAFF

JULIE KAUFMAN
TEACHER & CENTER SUPERVISOR

MARY LOU & GINA
TEACHER AIDE

MISS KELLY
COOK

SALLIE WRIGHT
REGIONAL COORDINATOR

Winter Coats & Boots

Winter has arrived! If your child is in need of a winter coat or boots, please let us know! We would be happy to assist you in getting the appropriate winter gear for your kiddos!

*Family Well-Being

Home Learning Logs

Thank you to all of the parents who have returned the Home Learning Logs! Home Learning Logs are sent out weekly and give your child an opportunity to learn even more at home! When they are filled out and returned, they also count towards our in-kind to meet our organization's grant requirements! If you have logs from a previous week, you can still fill them out and return them – they still count towards in-kind!

*Families as Lifelong Educators

FROM MISS JULIE

Parents, thank you for your time during conferences! It was so great to visit with you individually to talk about your child! Please let me know if you have any additional questions or concerns as you review the materials we shared.

UPCOMING FAMILY EVENT

Public Health will be coming to our center to do car seat checks this December. Public Health also offers free car seats if you are in need of one. More information to come about the date and time of this event!

In the classroom...

I am so proud of these preschool kids! They have been working hard and it shows! We are moving right along with names, sounds/letters, numbers and counting! Whew!

Thank you for sharing your children with us!

RECRUITMENT

WE ARE CURRENTLY RECRUITING FOR ALL CENTERS IN THE REGION! PLEASE HELP SPREAD THE WORD AND RECOMMEND OUR PROGRAM TO FAMILY AND FRIENDS!

“Children learn as they **play**. Most importantly in play, children learn how to learn.”

—O. Fred Donaldson

Play is an important part of your child's education! **Play** allows children to use their creativity while also developing their imagination, fine motor skills, and gross motor skills. It also allows them to develop physical, cognitive, and emotional strength. **Play** helps promote healthy brain development as well! Through **play**, children learn to engage and interact with the world around them!
