Health & Wellness

Let's keep our class
healthy in the New Year!
Don't forget to send the
appropriate clothing and
outdoor wear for your
children! Please also
remember to keep your
kiddos home when they
are sick to prevent the
spread of germs and
sickness! 😊

Recruitment

We are currently
recruiting for all
centers in the region!
Please help spread the
word and recommend
our program to family
and friends! We can
also always add new
children to our
waitlist so that they
are ready to enroll in
the case of an opening
in our center!

Get Healthy for the New Year!

It's 2019! Take
advantage of the new
year and use these tips
to boost your families
health this year!

1. Make regular check-up and screening appointments for the whole family.
2. Wash your hands regularly with soap and warm water.
3. Make healthy food choices.
4. Be active! Find activities the whole family can do!
5. Get sufficient sleep!

Did You Know?

WIC (Women, Infants & Children) is a program that provides many services to families in our community and all over the country.

Not only do they provide nutritious supplemental foods, but they also provide health and nutrition education and screenings, healthcare referrals and breastfeeding support! Please let us know if you would like more information! You can also contact our local WIC office at (307) _____.
