All food and beverage choices matter

Choose an eating style low in saturated fat, sodium, and added sugars.

Make small changes to create a healthier eating style.

From the Teachers:

We hope your children have been talking about "filling their buckets" and have explained our study into how we can fill other people's buckets and have ours filled through kindness.

They really enjoyed this concept and have continued to talk about their buckets (their feelings and emotions) even after we moved to the next area of study (Light and Shadow).

Dates to Remember

- We will be announcing the Parent Activity within the next week. Please watch for signs to be posted.
- ** Over the next 2 weeks, we will be talking about Mail and Friendship. We will be sending home boxes for you and your child to create a mailbox together. More information will be provided in the near future. If you have any extra "junk mail" that you'd like to share for our dramatic play area, feel free to bring it in.

Recruitment

We are currently recruiting for all centers in the region! Please help spread the word and recommend our program to family and friends! We can also always add new children to our waitlist so that they are ready to enroll in the case of an opening in our center!

Parents & Guardíans,

Please be sure to check out our Facebook page. We have been working hard to update it fairly frequently. There are many photos and a few videos highlighting the fun things we do here at Sheridan Head Start.
