## **Creative Curriculum**

*The Foundation* helps teachers create a high-quality learning environment and build a thorough understanding of best practices. *Daily Resources* help teachers plan and manage every moment of their day. Through studies, which are hands-on, project-based investigations, *The Creative Curriculum® for Preschool* helps teachers build children's confidence, creativity and critical thinking skills, and promote positive outcomes. ReadyRosie links with the Creative Curriculum that helps families deepen and scale their family engagement efforts in the education of their child. Teachers will use mobile technology to build powerful partnerships between families for "Ready Families, Ready Educators, Ready Children".

## **Parent Area**

There is some information on the parent wall at our center. But you can get most of your information on our Facebook page "Buffalo Head Start". Please check it daily to keep updated. Another great resource for our parents is the Absaroka Head Start website: [www.abshs.org](http://www.abshs.org).

## **Volunteer Calendar**

We encourage you to volunteer as it is a great time to be with your child and it greatly helps us out. The calendar is posted in the parent corner. If you are unable to volunteer please find your own replacement for that day; another family member or someone from the community who can take your place. We are meeting our 20% in-kind towards federal monies for the time parents spend in our classroom. Please sign the in-kind sheet when you visit our center (Due to COVID-19 this may look different).

## **Resource Book**

If there is any information you need and cannot find it in this Resource book, please feel free to ask one of the staff members. There is a Resource File in the Parent Area that has a lot more resources. If you cannot find your Resource Book, **There is also a copy in the parent corner.**

## **Sign-In/Sign-Out**

**We ask that you sign your child in and out every day.** The sheet includes previously entered information, including your child's name and the date. Please sign your name and the time during drop-off and pickup, on the correct date. **The sign in/sign out sheets are in the mailbox cart.**

## **NEWSLETTER/CALENDAR**

We send out a monthly newsletter and community Calendar filled with our activities, field trips, days without school, and other important information. It also has ideas for furthering your child's interest in wanting to learn so they become school ready. When you are excited and interested, your child will learn from your interest and want to learn more. We follow the Johnson County School District calendar.
