Home Learning Logs

Please remember to be sure to fill out the home learning logs and turn them in this helps with our in-kind. If you still have home learning logs from the beginning of the year you can still bring them in and they will count for in-kind.

Also doing the ready Rosie videos will help as well.

Thanks, for all you do!

Recruitment

We are currently recruiting for all centers in the region! Please help spread the word and recommend our program to your family and friends!

We are also recruiting for the 2024-2025 school year so please, let your community know!

*Families as Advocates & Leaders

The BIG Questions for April...

We are starting our new study on Insects

- What do we know about insects?
- What do we want to find out?
- What are the characteristics of insects?
- Where do insects live?
- How do they live?

*Families Engagement to Peers & Community
*Families as Lifelong Educators

In-Kind

In-kind is a very big and important component to our program and helps meet the 20% needed. It also helps us to be able to continue meet the needs of families and children when you participate.

Attending any parent meeting/activities/community events also generates the in-kind needed. We appreciate everything you guys do to help us keep our program going.

Home Visits

Once again, we will have one more home visit for the year, and we will be doing these in May. We will be setting those times up soon.
