Creative Curriculum

The Foundation helps teachers create a high-quality learning environment and build a thorough understanding of best practices. Daily Resources help teachers plan and manage every moment of their day. Through studies, which are hands-on, project-based investigations, The Creative Curriculum® for Preschool helps teachers build children's confidence, creativity, and critical thinking skills, and promote positive outcomes.

ReadyRosie links with the Creative Curriculum that helps families deepen and scale their family engagement efforts in the education of their child. Teachers will use mobile technology to build powerful partnerships between families for "*Ready Families, Ready Educators, Ready Children*".

Parent Area

There is some required information like schedules, menus, and safety precautions on the parent wall at our center. You can get most of your information on our Facebook page "Absaroka Head Start-Sheridan". Please check it daily to keep updated. Another great resource for our parents is the Absaroka Head Start website: https://www.abshs.org/resources If you do not have internet access at home, you can access sites and others free at your local library or at the center during work hours.

Volunteer

We encourage you to volunteer services and attend parent activities as it is a great time to be with your child and it greatly helps us out. We are meeting our 80% in-kind towards federal monies for the time parents spend volunteering. Please sign the in-kind sheet when you visit our center.

Sign-In/Sign-Out

We ask that you sign your child in and out every day. The sheet includes previously entered information, including your child's name and the date. Please sign your name and time during drop-off and pickup, on the correct date.

NEWSLETTER/CALENDAR

We send out a monthly newsletter filled with our activities and other important information. It also has ideas for furthering your child's interest in wanting to learn so they become school ready. When you are excited and interested, your child will learn from your interest and want to learn more. There are Community Calendar events posted on the center's Facebook page. We follow the Sheridan County School District #2 calendar.
